1. MESSAGE FROM MRS BARNES

Well, we have almost come to the end of another academic year and I would like to take this opportunity to thank you for all the support you have given the school this year—we are fortunate to have parents who are genuinely interested in their child's learning and supportive of the school in general. As we reflect on the year and the progress that has been made in terms of school improvement I believe we can congratulate ourselves on another successful year. Back in September we reminded our pupils of our seven core values: belonging, collaboration, perseverance, independence, good manners, reflection and respect and I have spent the year watching these values being demonstrated on a daily basis. Emphasizing these values has helped to further develop our ethos of 'Loving to Learn' and I hope you found the end of year reports reflected the values that are being encouraged.

We have now completed our school development plan for 2016-2017 and I am proud that we have managed to maintain our high academic standards whilst continuing to enhance and improve the quality of teaching and assessment, leadership & management and the quality of personal development, behaviour and welfare we offer.

It is with sadness that we have had to say goodbye to a number of staff and governors during the year and we wish them every success in their new ventures. Next Friday we also have to say goodbye to our Year 2 children and their parents—the children have been stars and I am sure they will continue to thrive in their next schools.

I hope you all have a very happy, safe Summer Holiday and I look forward to seeing our new Foundation Stage, Year One and Year Two children back in school between 8.45am and 8.55am on **Wednesday 6th September**.

Please look at the plan at the end of this newsletter to see which entrances the children should use on the first morning. You are, of course, welcome to bring your children in for the first few days but we would ask you to let them come in independently as soon as they are ready.

School finishes at 3.15pm. Foundation Stage parents should collect their children from the same door that they use in the morning. Year One children will be brought to the wooden gated area by the scooter racks and parents of Year Two children should wait in the area by the wooden gate nearest to their classrooms. Children will not be allowed to leave the teacher until they can see the person who is collecting them.

Have a wonderful holiday with your children.

2. GOVERNOR SECTION

As the Summer holidays approach, it is time to reflect on yet another successful year at the John Hampden. There have been too many highlights to start to list here but I am sure you all have your own favourites.

Work at the school doesn't stop, however, as we look forward to the next academic year. There is always plenty for Mrs Barnes and her team to be doing during the holidays in preparation for September. At this point, on behalf of the whole Governing Body, I would like to take this opportunity to express our thanks to Mrs Barnes and all the staff for their hard work and dedication this year.

As you may already be aware, there are significant financial challenges in schools at present with no indication of the situation changing anytime soon. It is vital that everyone associated with the school is able to help and support the staff in ensuring the John Hampden remains the fantastic school it is, and so I would like to express my belief that all the pupils and their families can continue to do so next year.

It is also time to say a fond farewell to our Year 2 pupils as they begin the next stage in their educational journey and I am sure they will take with them the love of learning which embodies everything Mrs Barnes and the staff do at our school.

Finally, I would like to wish everyone an enjoyable Summer break and we look forward to welcoming you back for another year in September!

Paul Philips

Chair of Governors

The Governing Body are always willing to listen to parental queries and to explain in more detail what the Governing Body does. They do realise, however, that it may not always be appropriate to speak to us at the school gate so please feel free to email the Chair of Governors, Paul Phillips, on p.phillips@johncolet.co.uk if you would like to raise a matter for discussion

3. IMPORTANT MESSAGES

YEAR 2 LEAVER'S ASSEMBLY

The Year 2 Leaver's Assembly takes place at **11.15am on Friday 21st July**. No tickets are required but with 122 children in the year group, seats are limited to 2 per family. Thank you

Our **Early Years class (Cricketts)** have their last day on **Thursday 20th July**.

Finally, just a reminder that for everyone else term ends at **1.30pm on Friday 21st July**.

TEA TOWELS FOR SALE

As a lasting memento for our Year Two pupils, we have had a tea towel produced which features a self-portrait of every child in the Year Two classes, along with the teachers and teaching assistants. These are being delivered very soon and will be on sale for parents and carers. The tea towel will cost £4.00 and we will send home an order form so you can place your orders and collect your tea towel by the time we break up for the summer.

MEDICATION IN SCHOOL

Can I please remind all parents that any medication kept in school must be collected at the end of term. We will endeavour to hand it over on the last day. Any medication left at the end of term will be taken to the pharmacy for disposal as we can't keep medication on site over the long Summer break.

LOST PROPERTY

We put out tables of unnamed lost property at the recent Open Evening. Please check the lost property boxes by the end of term if you are still missing something as all items left will be sent to a charity if they are not claimed.

SCROLL OF HONOUR

If your child has been included on the Scroll of Honour this year please would you check that you have returned the special yellow badge. These are loaned for one week and should have been returned—we are running short and we ordered 200!!

SAFETY IN AND AROUND THE CAMPUS

Sadly we have had another report of illegally parked cars on the corner of Icknield Close.

These two vehicles were photographed when they were parked on double yellow lines. The yellow line markings are there for a valid reason. Please work with us to keep the area safe for all the children and young people who attend our schools.

‘GO FOR GOLD’ Walk To School Initiative. – VOLUNTEERS REQUIRED

Our school's 'Go for Gold' scheme is an important initiative that has been running for many years at the John Hampden School. Please help your child to have a healthy and safe journey to school by supporting our 'Go for Gold' scheme. We encourage as many children as we can to walk, bike or scoot to school and if they do, they can have their 'Go for Gold' passport stamped daily. Remember, the more stamps they collect the more prizes they could win!

We have been very lucky that two of our parents, Mrs Gammans and Mrs Palmer, with their trusty bands of stamping volunteers, have been co-ordinating the scheme for me and we are extremely grateful for all their help and support.

Unfortunately, for us, as their children move on to the Junior School, they would now like to hand over the running of the scheme to some new volunteers.

If you are interested to be part of the team, either as a new coordinator, or as a stamping volunteer, I would be very happy to hear from you.

It would be ideal to have a team of at least ten people (but the more the merrier!)

If you could spare a short time in the mornings to help stamp then please come and see me, Mrs Gammans or Mrs Palmer.

The scheme is very well organised and I know that our two lovely ladies are very happy to show anyone the ropes.

If you would like to share the role of coordinator then that could also be arranged.

Our 'Go for Gold' scheme is very important to the school and I am happy to hear from anyone interested in joining the team. The more people we can recruit the better.

Thank you in advance for your support.

5. FRIENDS OF JOHN HAMPDEN

Summer BBQ

We hope you all had a lovely evening – we managed to raise over £2000 for the school. A special thanks to Halton Tennis club for giving up their evening to bring Wimbledon to the JHS – we loved it!

Wendover Woods Picnic Friday 21 July from 1.30

A lovely way to end the term – everyone is welcome. Bring your picnic up to Wendover woods and celebrate the summer. This is **not a fundraiser**. The FJH have hired a BBQ area so feel free to bring a sausage to bung on the barbie.

Fruity Fridays – Thursday next week!

The final Fruity Friday of the term will be on **Thursday 20th**. Thank you to all those who have made, bought, stored, sold and eaten!!

JHS Parents – Closed Facebook group

Did you know that there is a closed Facebook page where parents can post information / reminders / questions to other parents? It is administered by the Friends of John Hampden (PTA), designed to help parents support each other, socialise and remind each other of the million and one thing we need to do for the school and our children - like not forget non uniform days!

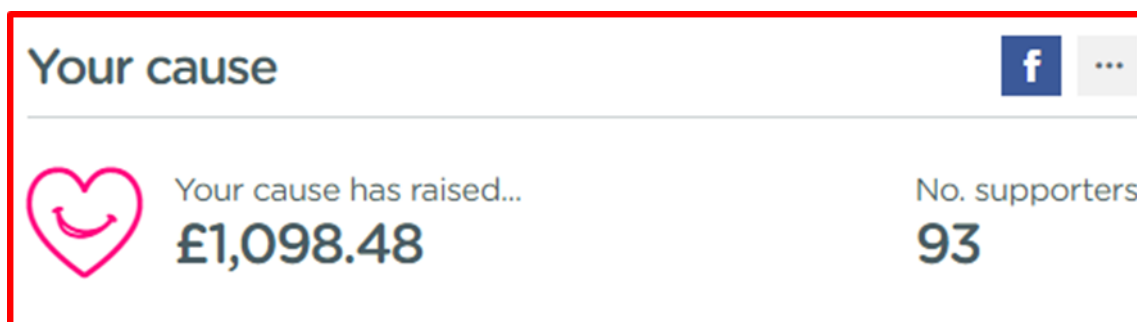

If you don't have access, search for '**JHS Parents**' and request to join and one of us will authorise you.

Easyfundraising

In the last 30 days we have raised **£41.71** and recruited **5 new supporters**. If you've not signed up yet, please click on to <https://www.easyfundraising.org.uk/causes/fjhwendover/> – it's simple and **costs you nothing**.

Some PTAs raise thousands through this website – imagine what we could raise if all the parents, grandparents and staff used the site.

6. MISCELLANEOUS

The Summer Reading Challenge

The Summer Reading Challenge takes place every year during the summer holidays. You can sign up at your local library, then read six library books of your choice to complete the Challenge. There are exclusive rewards to collect along the way, and it's FREE to take part! Visit:

<https://summerreadingchallenge.org.uk>

The **Summer Reading Challenge** is designed for children between the ages of 4 and 11. It is completely free and last year over three quarters of a million children took part.

Every year the Challenge has a new theme. This year's Summer Reading Challenge is Animal Agents, illustrated by the UK's best-selling children's illustrator Tony Ross.

For 2017, there's something peculiar happening at the local library - and that's where the Animal Agents come in! It's a detective agency manned by all kinds of clever animals - furry, scaly and slippery - and these guys are out to crack the case with a little help from their friends.

As children read library books on the Summer Reading Challenge, they will receive a host of stickers, some with mysterious smells. By collecting the stickers on their collector folder, young readers will help the Animal Agents find out what's really been going on behind the scenes!

Animal Agents is a must for all eagle-eyed kids and will test their skills and ingenuity along the way. With the Agents on their side, solving these mysteries comes with a large helping of fun!

Children who complete the Summer Reading Challenge will also receive a certificate from school in September and will be entered into a prize draw. Please bring in your library certificate and give it to Mrs Parkinson so that we know who to put in the draw!

Happy reading!

Gardening Club

Mrs Spencer would like to thank the Gardening Club families and friends who visited the school vegetable garden yesterday. The children were thrilled and proud to show them the produce that they have been growing this term. The raised beds and planters in the courtyard have flourished under their care and thanks to their hard work, we have a wide range of vegetables and flowers growing beautifully in these spaces. A special thank you to Oliver Perry who helped to take the photographs.
