1. MESSAGE FROM MRS BARNES

Governor Section 2

It is hard to believe that the Spring Term has ended—Christmas seems a long time ago and there are very clear signs that Spring is definitely here. The term has been quite a short one but, as always, a busy one. After the break we look forward to welcoming some new children to Crickets class—they visited earlier this week and it was good to watch them mixing happily with the other children in the group.

Important Messages 3

The improving weather at the moment reminds us that summer is just around the corner and we will be continuing with our tradition of welcoming the season by celebrating May Day. On **Friday 28th April at 9.30am** we are holding our annual May Day celebration for children in Foundation Stage, Year 1 and Year 2. As space in the hall is limited we only invite parents of children in Year 2 to watch because Year 1 parents were invited to the Harvest Assembly in the Autumn Term - we try to make it fair! Early Years and Foundation Stage parents—your time will come.

Pupil's Section 4

As usual we would ask that Year 2 parents try to make alternative arrangements for younger siblings as they often find it difficult to sit quietly through a performance lasting just over one hour. If you do have to bring a younger child please would you ensure they sit on your lap and if they do start to make a distracting noise take them out of the hall until they become quieter.

Curriculum 5

Friends of John Hampden 6

On the day, as we are celebrating the fact that summer is approaching, we are inviting all the **girls** in Foundation Stage and Key Stage 1 to come to school wearing **something summery** which is appropriate to dance in. They will not need to bring their school uniform as they will wear their summer outfit all day. **Boys** in Foundation Stage and Key Stage 1 should come to school looking smart in **shorts or trousers and a shirt/top**.

School Improvement 7

Miscellaneous 8

Our Year 1 children are responsible for choosing the May Queen and her attendants and we will also have a child dressed as the Lucky Sweep. We will put lots of the photos we take on the school website so you can share the event even if you are not able to attend in person.

UPCOMING EVENTS:

17th April—Bank Holiday

18th April - School opens

20th April—SATS meeting at 2.30pm

23rd April—FJH fun run

28th April—May Day Y2 parents to watch at 9.30

29th April—Garden working party 10-12

1st May—Bank Holiday

Last week I sent a letter that all Buckinghamshire Head Teachers were asked to distribute to parents to let you know some of the difficulties schools are facing from the budget cuts. I appreciate it is quite long, but the last page has some interesting factual information that may explain why schools are so concerned about their budgets. I appreciate you taking the time to read it.

Please take time to read Mrs Beattie's 'Parking Promise' article in the Miscellaneous section of this newsletter.

May I take this opportunity to wish you a very peaceful and relaxing Easter break and I look forward to seeing you again on Tuesday 18th April.

2. GOVERNOR SECTION

In a few weeks' time my two girls will find out where they will be going to school in September. For any parent this can be an anxious time, hoping that your child will be offered a place at your first choice school. For me, there are very mixed feelings. One daughter will be leaving John Hampden for pastures new, the other will (hopefully) be starting in Foundation Stage, continuing her John Hampden journey that began in Crickets Class in January.

As a parent governor, I see how the school operates and the constant desire to drive improvement in learning outcomes for the children. The trick is maintaining that nurturing feel to the school that I loved when I first visited and I can see first-hand the positive developments in my eldest as she has progressed through the school and how this has set her up for Junior School. I look back on three years of laughter and tears, moments of immense pride and more than a little bit of frustration (tying her down to do her spellings or homework!). She has grown but is still the same person inside with her feet firmly on the ground ready to spread her wings.

Fortunately, I am in a position to start that journey again. I can already see how engaged my youngest is in the tender care of Mrs Griffiths and Mrs Redman. A different child with a different personality, but the same desire to be at John Hampden, picking up the rhythms of school life and feeding that hunger for knowledge and learning. So with trepidation we wait for April 18th when the school places are announced. I know where I want my girls to be come September... Fingers crossed!

Simon Ward
Parent Governor

The Governing Body are always willing to listen to parental queries and to explain in more detail what the Governing Body does. They do realise, however, that it may not always be appropriate to speak to us at the school gate so please feel free to email the Chair of Governors, Paul Phillips, on p.phillips@johncolet.co.uk if you would like to raise a matter for discussion or if you just have a query about the school.

3. IMPORTANT MESSAGES

USING CUTLERY

Since Christmas we have been watching the children as they enjoy eating the hot school lunches. We are noticing that some children are struggling to use a knife and fork correctly. We would like to request your support in encouraging them to use a knife and fork to eat their main course whilst they are with you. They are using adult sized cutlery so it would be good for them to practise this at home too. Thank you.

COMIC RELIEF

Many thanks for allowing your children to participate in this fund raising event. We managed to raise £282.83 for this worthy cause and it was great to see the children looking so colourful in assembly.

P.E KITS

During the Easter Holiday we would be grateful if you would check that your child has a complete P.E. kit including tracksuit bottoms and a sweatshirt for use outside when necessary. Your child also needs to have a correctly fitting pair of P.E. shoes (preferably not laces unless they can tie them themselves!) **All kit must be named.** Children with long hair should have it tied back and anyone with earrings should have them removed at home or be provided with tape to cover them during P.E. sessions.

WATER BOTTLES

We encourage our pupils to bring a water bottle into school which can be stored on their table and accessed when necessary. Bottles must only contain water—no juice or squash as this can become very sticky and is attractive to ants!

ACTIVE KIDS VOUCHERS

Just a reminder that we are collecting the Sainsbury's Active Kids Vouchers. We will use the vouchers in exchange for new outside play equipment.

GARDENING WORKING PARTY SATURDAY, 29th APRIL —10AM—12.00 NOON

We have lots of jobs to do in the school garden to get it ready for the season ahead and would welcome any help that parents and their children are able to offer on Saturday, 29th April. We will be aiming to start at 10am and refreshments will be provided. There will be a range of jobs to do including: weeding the herb bed and preparing the raised beds in the vegetable garden. Even if you are only able to give up a small amount of your time on this day it would be greatly appreciated. If you are able to bring along a garden fork and spade that would be helpful too. If you are interested please could you let Mrs Spencer know via the school office or your child's home school diary. We look forward to seeing you there.
Thank you.

MEETINGS WITH MRS SPENCER

Just a reminder that Mrs Spencer is available to speak to parents about any non-urgent school related issues. If you would like to discuss any aspect of your child's academic or social development or any issues relating to homework etc. please phone the school office to make an appointment.

UNIVERSAL FREE SCHOOL MEALS

If you experience any difficulties ordering your child's school lunch on-line, please contact Chartwells direct on 01908 615705 and they will be able to assist you. Please don't contact the school office as we are unable to assist with the administration of ordering of lunches.

4. PUPIL'S SECTION

ENTERPRISE WEEK

The importance of money has been on our minds this week and we were delighted to welcome Mrs Wheals-Brown to speak to the Year One classes about the importance of saving money.

Our very grateful thanks for the support you gave the children during our Enterprise Week. Photographs and a couple of videos from the week can be viewed in the News Section of the school website. The classes all raised lots of money thanks to your generosity and we hope you enjoyed everything your donations went towards. We are in the process of finalising the profit that each class made and we will inform you of how each class intends to spend their hard earned money. Here are some comments from the children about their Enterprise days :

Crickets class held a cake stall, pop up shop and played games. They made gifts to sell in their pop up shop and they also sold plants. They then played a variety of games in their garden.

I enjoyed doing the till—I had to work out how much money to give to them—Poppy
We enjoyed having our grown-ups in the classroom.

Honeybees class were selling Easter things.

I liked cutting the Easter basket out. I got my best scissors and cutted really carefully—Oscar
I'm looking forward to making the chocolate nests because I like cooking—Tillie

Ladybirds class made chocolate nests in a basket and photo frames with their photos in.

I liked cutting out and decorating our Easter baskets—Connor
I liked decorating the Easter cards with feathers—Miley

Caterpillars class taught their family members a zumba workshop. They also played some fun games and then had refreshments in the classroom. The children also decorated some biscuits.

I loved decorating the biscuits—Theo
I really enjoyed it—it was fun—Chloe

Badgers class had a 'make and take'. The children chose to make bunny pots for chocolate eggs and to decorate cloth bags. They also had a raffle of Easter prizes and made bunting to decorate the class room. They all enjoyed their parents coming in to help them make their crafts.

I was really excited about the raffle prizes—Liberty
I think the bags will be great for putting Easter eggs in—Jack

Hedgehogs class made Easter crafts that they could sell to their parents. They made bunting, Easter cards and 'chick' notepads. They also held a fabulous chocolate raffle.

I liked selling the things I had made to the grown ups—Linden
I liked making the bunting because we could get really messy with the paint—Eleanor

Squirrels class put on an afternoon tea and entertainment.

We enjoyed giving sandwiches, cakes and biscuits to our families and friends—Maddison

We enjoyed singing a song, telling jokes and telling a story to everyone—Logan

Red Kites class planned a Country Dance afternoon followed by refreshments and an Easter raffle. The children made fruit kebabs and prepared the classroom for their guests. Raffle tickets were sold and the dancing began. The children demonstrated the first dance and then the guests joined in. There was lots of laughter and fun. They then went to their classroom for refreshments, fruit kebabs and fruit juice and the raffle was drawn.

My favourite part was eating fruit kebabs and dancing with our parents. I loved it—Whoooo Yea! - Ellie

The parents got to join in the dance and it was fun and funny because we laughed—Charlie

Firecrests class held an Easter Bonnet Parade which was judged by Mrs Barnes. They also played lots of Easter themed games and made Easter tea light jam jars and chocolate krispie cakes.

I liked making my bonnet and adding my decorations. I felt proud wearing the bonnet during our parade—Olivia

I liked showing my family all the things we made. They really liked our tea light jam jars—Christopher

Hérons class held a 'Hérons Got Talent' show. They enjoyed practising their talents and learning about what everyone likes doing at home. They were really excited to show everyone what we they can do.

I really enjoyed learning about what everyone knew—Hugo

I really enjoyed practising my talent—Tessa

Eagles class invited the parents to an afternoon of tea and entertainment. They wrote invites and then planned what they would cook. Recipe cards were written out and sold on the day along with cakes made by the children. A raffle and 'Guess the eggs in the Jar' game also proved a success.

I learnt how to follow the recipe instructions, it was fun making them—Eleanor

I loved making cakes and loved counting money—Noah

5. CURRICULUM

School visits and visitors are an enjoyable and valuable part of the school curriculum. In the last two weeks Year One have taken a trip into Wendover, whilst Foundation Stage classes have welcomed Walter and a range animals into school. Walter let the children hold many of the creatures and we were impressed by how brave they all were!

Year 1 trip to St Mary's Church in Wendover

Year 1 enjoyed a trip to St Mary's Church in Wendover on Thursday of last week. The weather held and the children were able to spend some time looking at and sketching parts of the outside of the church. The classes were fascinated to listen to a talk about the history of the church and how it was built. They also learnt about different features including the pulpit, the font and the altar. The speaker from the church, Mrs Gosling, was impressed by the range of questions that the children asked and how well they listened to the answers.

6. FRIENDS OF JOHN HAMPDEN

Spring Run - Sunday 23 April

Who needs the London Marathon when you have the JHS Fun Run!?! Please Save the Date for Sunday, 23 April - the 5km and 10km scenic trail races through Wendover Woods start at 9.30am and the Kids Fun Run starts at 11am. Entry and sponsorship forms went out in book bags at the beginning of the week.

Refreshments will be on sale. If you're able to help out on the day, please email

lulagkirby@hotmail.com. Thanks!

May Fayre – Saturday 20 May

We are beginning to plan for the May Fayre (our 2nd largest fund raiser of the year). The raffle pulls in the most amount of money but it is such a large ask to get someone to pull together all the prizes. We are reluctant to ask parents to donate yet another item for the fair so we are hoping that you could help us out.

Please could you ask the company that you work for / businesses that you deal with to donate a prize? We will publish a list of businesses that have donated.

If you are able to obtain a prize, please drop the donation into reception for the attention of Helen Hill. If you require any more information please do not hesitate to contact me on helenwood30@hotmail.com

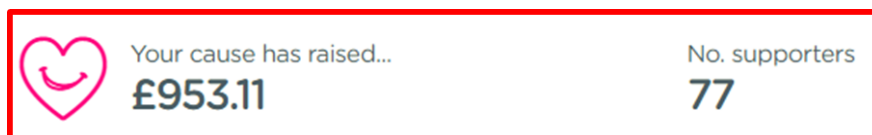

Treasurer

Thank you to Rach Jacob for her amazing work as treasurer over the last three years. We are looking for a replacement to take over in July. Please drop Rach a line if you would like to find out more about what the role entails [Ra-](mailto:Rachel.higley@challenershigh.com)

7. SCHOOL IMPROVEMENT

We aim to keep you fully informed of our actions linked to the school improvement plan. Since the last newsletter we have:-

GOAL A: LEADERSHIP & MANAGEMENT

April is budget setting time for the school and we are in the process of finalising our expenditure for the next academic year. As you are aware the budget situation in Bucks schools is extremely tight and we will need to be prepared to make some very difficult decisions in the next few months. Staff are consulted when preparing the financial plan and governors hope to ensure that it will support the school in achieving its goals for school improvement in order to enhance learning. Mrs Griffiths, our Finance Officer, takes responsibility for the day to day running of the school finances, assisted by the Leadership Team.

GOAL B: TEACHING, LEARNING & ASSESSMENT

The week before the Easter break is 'Assessment Week' and staff have completed a range of tasks and tests with their pupils to measure their progress and to identify the next steps for each child in the key areas of Reading, Writing and Maths.

On Thursday 20th April, Mrs Barnes will hold a meeting for parents/carers to explain the statutory assessment arrangements that are due to take place within the month of May. At the John Hampden School, the children are used to being assessed regularly at all stages of their education, and they are always encouraged to do their best. As a result of the introduction of the new National Curriculum, end of KS1 tests have changed and parents who have older children who completed the old style SATs might be interested to hear and see the differences that have been made. Whilst end of key stage tests are important in evaluating the success of the school, it is essential that we continue to track the progress made by individuals, groups and cohorts throughout their time in the school.

GOAL C: PERSONAL DEVELOPMENT, BEHAVIOUR & WELFARE

On Monday evening we welcomed new parents and pupils into school. The pupils are due to start in our Early Years Class after Easter and they spent two hours with Mrs Griffiths and Mrs Redman before they start in April. To make the experience less daunting, Mrs Griffiths and Mrs Redman have met the children as they visited from their pre-schools/playgroups throughout the second half of term.

Class Council Circle Time has happened again in the past two weeks. This is where each class were asked the same questions and the results were collated. The focus of the discussion this time was behaviour and safety and it has been interesting to read the children's perceptions. Key issues from the Class Council Circle Time have been shared with the School Council who are now deciding how they would like to see the Leadership Team addressing their concerns.

GOAL D: PUPIL OUTCOMES

Tracking pupil progress is a necessary part of monitoring in the school. Each term, following Assessment Weeks, staff give a summative assessment level for each pupil in reading, writing and mathematics. This information is used to track progress from one term to the next. It is then possible for us to identify those children who are making below, expected or above expected progress. For any child that has not made expected progress, teachers are required to identify actions they will take to address any concerns. This careful tracking of pupil progress helps us to maintain the high standards of achievement we have come to expect at John Hampden.

8. MISCELLANEOUS

9 March 2017

Dear Parent/Carers

Use of social media

We are writing to you to request your support in ensuring the safety and wellbeing of all members of our community when posting and sharing content on social media sites. It has come to the local authority's attention that there has been an increase in the use of social media to discuss the borough's schools and that this is not always being done in an appropriate manner.

If parents wish to set up social media groups in order to get to know other parents and discuss their children then they are strongly advised to do so by setting up private groups and ones which cannot be accessed by other members of the public in order to ensure the safety of their children.

All parents and carers are entitled to have their own views and opinions and schools welcome these comments through the appropriate channels. We would like to ask that all members of our school community consider how comments are sometimes misunderstood when shared online and the possible impact and consequences on others of our online actions.

It is important that all parents and carers understand that the use of social media to deliberately threaten, upset, harass, intimidate or embarrass members of staff or anyone else associated with the schooling community will be considered to be cyberbullying and/or harassment and will not be tolerated. Posting threatening, obscene or offensive comments online can also potentially be considered as a criminal offence and can therefore have very serious consequences.

Schools in Buckinghamshire will take action against inappropriate postings on social media if they:

- I. Could have repercussions for the orderly running of the school or
- II. Pose a threat to another pupil or member of the public or
- III. Could adversely affect the reputation of the school.

If parents/carers have any concerns or complaints regarding their child's school, then we would like to request that they be made using the correct and official channels so we can work together to help resolve any concerns that parents/carers may have. Your child's school will have a complaints procedure and anti-bullying policy which can be requested from the school office if not available online.

If parents/carers wish to discuss this matter further or have any other online safety concerns the please contact the Designated Safeguarding Lead of your child's school.

Many thanks in advance for your support in this matter.

The John Hampden School PARENTS' PARKING PROMISE

Parking too near to school entrances puts children in danger

The area outside our school is busy in the morning and at the end of the school day. Parents who park close to the entrance of the campus road or in the campus road itself are not parking responsibly, potentially placing children in danger. The 'School Keep Clear' Zig Zags should maintain an area free from parked cars. This allows children and parents walking in and out of the campus entrance to cross safely, where they can see and be seen by approaching traffic.

Using the car less would help reduce the congestion and danger

Many children are driven to school when they could easily walk part or all of the way. Walking has various benefits: it

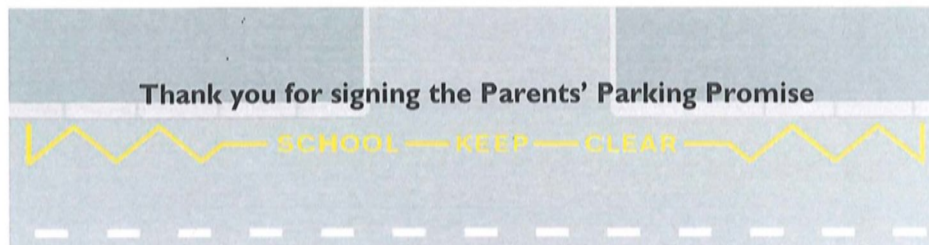

- Helps keep children fit and healthy;
- Develops traffic awareness skills;
- Keeps the environment cleaner;
- Reduces traffic outside school at starting and finishing times.

Please sign the Parents' Parking Promise and make your children's school a safer place

Please help us by completing the tear off slip below. By returning this you are undertaking to keep parked cars away from the area outside the school, therefore protecting the lives of all the children who attend our school.

If you return this slip we will issue you with a car sticker which shows your commitment to the **Parents' Parking Promise**. Hopefully your example will encourage other parents to do the same.

I will protect the safety of children at my school by being a thoughtful driver.

I will try to use my car as little as possible for school journeys.

I will not park on the 'School Keep Clear' Zig Zags or on the campus road.
