# Incy Wincy Spider Prop

## Supplies

- Toilet or kitchen roll tubes
- Googly eyes
- Paint
- Blue tissue paper
- Scissors
- Sticky tape

**1** Hold the toilet or kitchen roll tube vertically, then cut 10 evenly sized strips going vertically up the tube. Make sure each cut ends at the same point.

**2** Cut two of the strips off at the base; ensure that these two strips are opposite each other. This should leave you with 8 legs.

**3** Pull the 8 legs outwards and fold into the desired position.

**4** Repeat steps 1 to 3 with two more tubes.

**5** Paint the tubes, then allow to dry.

**6** Stick on the googly eyes to the front of the spiders bodies.

**7** Paint on a smile, along with any other features you would like the spider to have.

**8** For the rain, take some pieces of tissue paper and place them on top of each other in layers.

**9** Pick up the layers of tissue paper and cut strips vertically into them, ensuring the cuts do not go right to the top.

**10** Finally, gather the sheets of tissue paper together at the top to make a handle. Then secure and strengthen this by sticking tape around it.
