Sentences

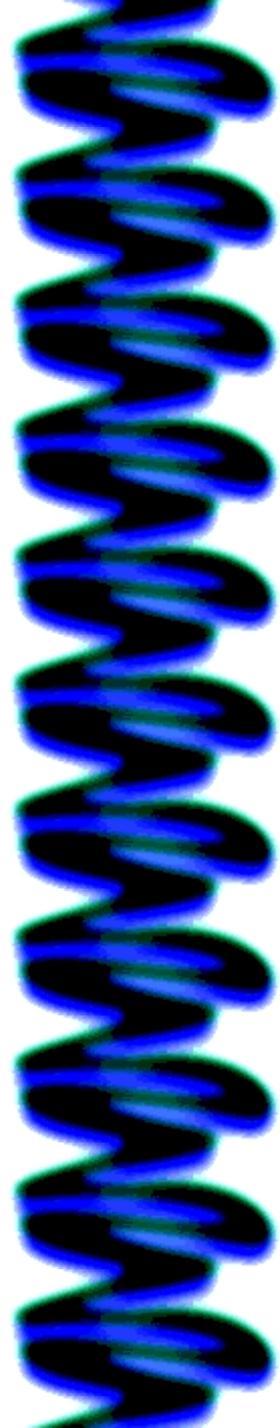

When starting to write sentences we choose sentences that contain words that the children can already read, either by sounding out or by sight. Here are the Phase 2 High Frequency words.

Phase 2	it	get	as	his	not	a
	on	big	got	dad	in	put
	off	can	at	is	but	and
	back	an	mum	of	him	up
	if	had				
Tricky Words	I	to	the	no	go	into

Sentences

We ask children to use the sounds they can hear to write the words. We then ask them to write them so many times they learn to write them automatically. For tricky words, children need to write them from memory.

Phase 2	it	get	as	his	not	a
	on	big	got	dad	in	put
	off	can	at	is	but	and
	back	an	mum	of	him	up
	if	had				
Tricky Words	I	to	the	no	go	into

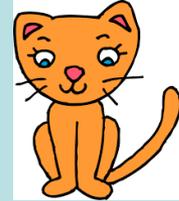

Sentences

Here are some examples of Phase 2 and Phase 3 sentences. Say the sentence out loud for your child to write. Repeat the sentence. They may need you to repeat it again while they are writing it. Remind your child to use the sounds they know, to try and remember how to spell tricky words, to start with a capital letter, remember finger spaces to end with a full stop and then re-read the sentence.

Phase 2 Sentences

It is a cat.

It is a dog.

It is a man.

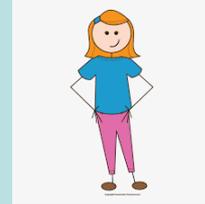

It is a bed.
