

Easter Egg Rhyming Pairs Game

Instructions

Play this fun Easter egg game to learn about rhyming words!

A game suitable for 2 to 6 players.

Oh no! The Easter bunny has dropped all of the Easter eggs! Can you help match pairs of rhyming Easter eggs together?

Begin by turning all the Easter egg cards upside down and spreading out over the playing area.

Choose a player to start the game.

Take it in turns to turn over 2 Easter egg cards to try to find a rhyming pair. Read the words and use the picture clues to help you. If the words rhyme, the player keeps the cards. If the cards do not rhyme, they are turned back over and replaced back with the other cards.

Play continues until all of the Easter eggs are in matching pairs and have been collected by a player. The winner is the person with the most Easter eggs.
