

Pip And Posy

Question of the Week: What is special to you?

Activities based on the interests of the children....

This week's NELI story is 'Pip and Posy', The Bedtime Frog by Axel Scheffler

Posy forgot to take her special bedtime frog to Posy's house. We will be talking about things that are special to us and things that make us feel happy and safe.

We will also be thinking about things we need to pack in our suitcase when we are going on holiday.

We will learn new vocabulary each day.

We will be learning about the Lifecycle of a frog and playing with small world models of ponds. We will explore floating and sinking.

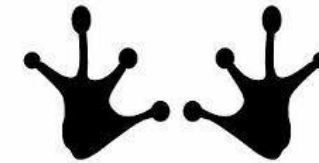

Our poem this week is called:

Carrot Nose

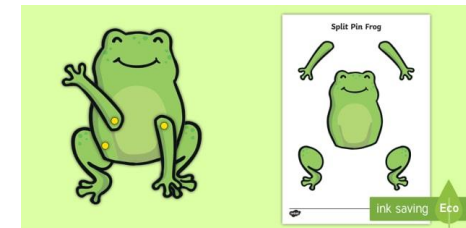

A cute little snowman with a long carrot nose,
Along came a rabbit and what do you suppose?
That cute little rabbit looking for his lunch
Ate the carrot's snowman nose, nibble nibble munch.

We will be making printing with sponges to create frog footprints.

We will be learning how to join using a split pin.

We will be practising hearing the initial sounds of words starting with s and a and t. We will be playing Silly Soup and I spy. We will be learning oral blending with Metal Mike and Pat our parrot puppet.

Our Nursery rhymes of the week are 5 Speckled Frogs and The Wheels on the bus

We will be continuing to subitise, sort and classify, recognise and order numerals. We will careful counting too.
