Parent

To support my child's return to school, I know and understand that:

-  I should check my child for symptoms of illness each morning including checking their temperature.
-  If my child, or anyone in my household, shows symptoms of COVID-19, I will not send them to school, we will get tested and self-isolate as a family until any test results are received. I will let the school know the results as soon as possible via telephone;
-  If my child shows symptoms of COVID-19 at school, I will collect my child from school immediately;
-  When dropping my child off and picking them up, I will adhere to the 2 metre social distancing rules.
-  When dropping off and picking up, I will strictly adhere to the school timings for my child;
-  My child will only bring a lunchbox, drink for lunch time and a snack box (if required) to school
-  My child will not bring any other items into school with them (including a bag) or take items home from school;
-  I will remind my child about social distancing rules but accept that young children may find them difficult to follow and that my child and other children may not always do this successfully without reminders
-  I will remind my child to implement good respiratory and hand hygiene, following appropriate guidance;
-  I will not attempt to enter the school building unless called in – please contact via telephone or email;
-  I need to support all staff in their efforts to create the safest possible environment during this crisis;
-  I will read all letters/messages/emails that are sent home;
-  I need to inform the school immediately of any changes to emergency contact details for my child.
-  If my child's behaviour is deemed unsafe in these unprecedented times, he/she may be sent home and may not return until they can behave safely.
