

Welcome Year 2!

We can't wait to meet you!

The last few months have been a little bit different to normal. Lots of you will have been doing your school work at home. Some of you might have been into school too.

Normally, we would invite year 2 to come and visit us in July. We always love meeting you and letting you see your new classrooms. However, we can't that we can do that this year.

Don't worry though. We know how important your move up to Junior School is and we're going to do our best to support you and make this transition a happy one. Have a look at the pictures on the next few pages to learn about your new school...

In the mean time, carry on being resilient. You are all amazing!

The year 3 teachers

Miss Stewart

Mrs Amjad

Mrs Simpson

This is the **Wendover Junior School**.

In the morning, you will come into school through this gate. You can leave your bike or scooter in a safe place too!

This is a **year 3 classroom**. The tables are normally in groups. We like to do lots of group work in year 3.

You will have your very own **locker**. You can put your bag and coat in it!

This is the **hall**. We do PE lessons here. At lunchtime, it turns into the dining room.

Can you see those lights on the ceiling? They're really important for the Year 3 Nativity performance. We even put a big stage up.

This is the **Year 3 resource area**. You might come out here to read with your teacher or to play games.

Can you spot the blue pipe in the middle of the picture above? When it rains, you can see the rain water trickling down...

This is the **peace room**. You can go here at lunchtime. It's very peaceful!

Peace room activities

- Drawing/colouring
- Board games
- Relaxing in the tent
- Reading
- Chatting to friends

Here is the **playground**. It is really big. At lunchtime you can take play equipment out of the shed to play games with your friends!

There is a special area for playing football too! Can you see the gazebo at the side? It's great to relax in on sunny days. In Summer, we get to eat our lunch outside!

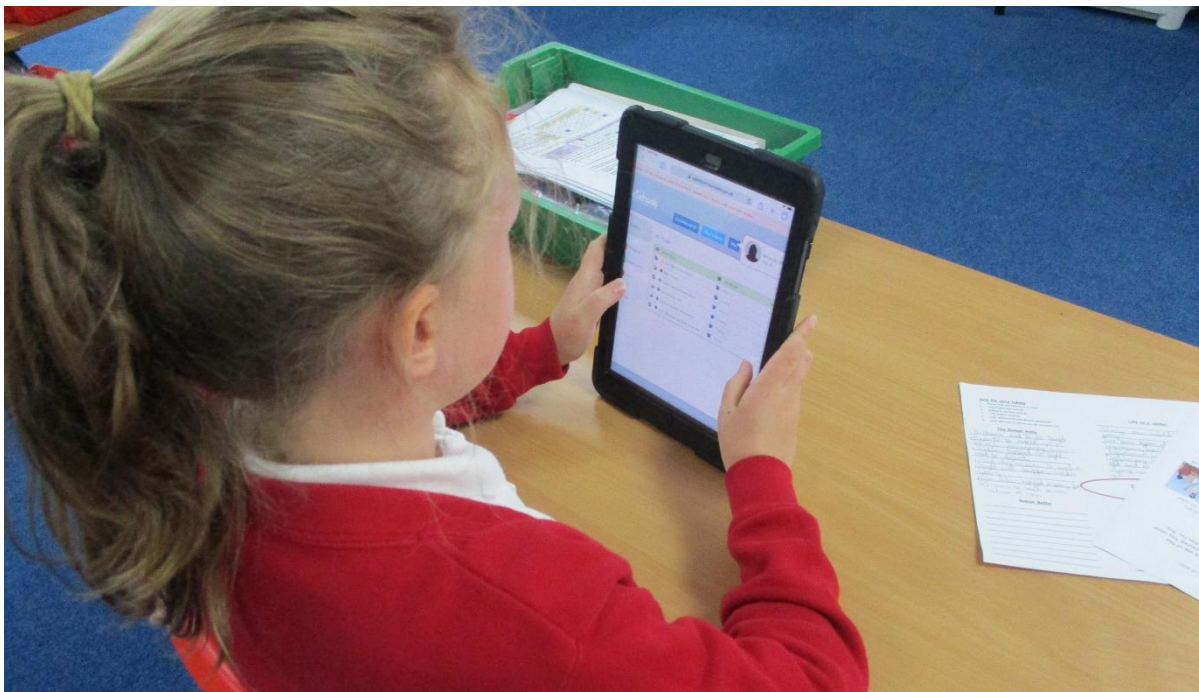

Here are some year 3s playing 4 square!

This is the **adventure trail**. It's so much fun!

Some children like to time themselves completing the whole trail!

In year 3, we do **computing lessons** each week. We have iPads and laptops. Some children are chosen as the laptop monitors and are in charge of sorting the laptops into the trolley.

This is the **reception area**. You can go here if you need help from the medical room or you want to look in lost property!

Have you noticed that there is a lot of red in our school? You'll wear a **red jumper** when you come.
