Here are some fun discussion questions to share with your child. Remember to encourage them to explain their reasons with 'because'. To develop the discussion further try putting in some counter arguments or some 'but what if...' elements to the discussion.

Would you rather be as tiny as an ant or as tall as a giraffe?

Would you rather have a cloak that makes you invisible or a magic carpet that can take you anywhere?

Would you rather it was always winter or always summer?

Would you rather time travel back in time or forwards in time?

Would you rather explore space or deep under the sea?

Would you rather be an amazing artist or a fabulous singer?

Would you rather become five years older or two years younger?

Would you rather be a wizard or a superhero?

Would you rather be a famous inventor or a famous writer?

Would you rather have super strength or super speed?

Would you rather be able to read any language in the world but not speak it or speak any language in the world but not be able to read it?

Would you rather be a cat or a dog?

Would you rather be able to fly like a bird or swim like a dolphin?
