

## English Activity Ideas for Home Learning Year One Weeks beginning 23/11/20 and 30/11/20

For all these activities you will need to read the story of Jack and the Beanstalk. You could watch this version on You Tube. Ask a grown up first.

**Story sequencing** . Cut out the sequencing cards and place in the correct order to tell the story. Re- tell the story using the cards to help you. You could say the story out loud or maybe try to write the story. You might like to colour one or all of the pictures.

**Story map** Cut out the pictures and place them in the correct order on the map. Can you use the map to tell the story? Maybe you could draw your own story map?

**Story sequence writing sheet** You can use this sheet to help write the story.

**If I had a magic bean....** Talk about what you would do if you had a magic bean. Can you draw a picture and write some sentences about what would happen if you had a magic bean?

**Character descriptions** Think about all the characters in the story. Choose your favourite character and draw a picture of them. Now try to write about your character. Use the sheets to help you.

**P4C discussion** Was it right or wrong for Jack to take the things from the Giant?
