

Activities based on questions asked by children....

We will be learning all about our amazing bodies. 	We will be thinking and talking about different feelings we have. 	We will be reading stories about ourselves and our bodies. 
We will be playing listening games, rhyming games and orally blending games. We will be listening for initial sounds.  We will be matching words and pictures. 	We are learning to: - Recite numbers to 10 (then when secure 20) - Say and use number names in rhymes and stories - Count up to 10 moveable objects, then 20 from a larger quantity - match numerals to numbers of objects in a set 	We will be mark making and drawing patterns and shapes. We will be learning about curly caterpillar letters and long ladder letters.  We will be writing our names.
We will be discovering the super learning powers that we all have, learning how we grow our brain by challenging ourselves as well as persevering when things are tricky. 	PE is every Wednesday. 	<u>Dahlicious Dress up Day is Friday 21st September.</u> Come dressed as your favourite Roald Dahl character or dress up in yellow - his favourite colour.
