

Value of the Week: Belonging

Activities based on the interests of the children....

We are learning about the Golden Rules and our school values.

We will also be learning about how to look after our classroom and each other.

We will be listening to stories, rhymes and fairy tales.

We will also be starting Poetry Basket, this is a special rhyme and movement activity we do during our morning sessions. It is great fun and features a range of seasonal and classic poems.

We will be playing lots of playground games like "Simon Says" and "What's Time Mr Wolf"

Games like this help us to improve our listening skills and teach us how to work as a team.

We are learning all about numbers 0-3, we will be counting forward and back and practising putting these numbers in the correct order.

We will be talking about ourselves and families and getting to know each other!

We will be making different marks, looking at how to make curvy, straight, zig zag and criss cross marks as well as working out the muscles in our fingers to make us better writers!
