

Personal, Social and Emotional Development Home Learning

- Share stories – retell them and act the out
- Help with 'jobs' around the house
- Play board games with your family
- Can you build a den? Use sheets and pegs to make an awesome den. Can you make a sign to tell people about your den? This can be a great way to problem solve with your child and allow them to test ideas and the finished project makes a great place to snuggle up and share a story.
