Dear Parents/Carers

Transition Arrangements for Year 2 - Summer 2021

As the end of the academic year approaches we are keen to prepare our pupils for the next stage in their learning journey. As you are aware, ensuring a smooth transition from The John Hampden School Wendover to Wendover CE Junior School is identified as a key priority for both schools. The classes will not be mixed as they move up into Year 3 at the Junior School.

Information about transition can be found on the John Hampden School Wendover website www.johnhampdenwendover.co.uk under the tab 'Transition into Year 3.' Much of the information will be provided by Wendover CE Junior School and you are required to return specific information to them directly via email / to the school office. The table below details transition arrangements so far (some of these will remain dependent on the COVID situation).
