

To find out more about the different activities you can do for each area, look at the Home Learning tab for Year 1 on the school website

<p>English</p> <p>Information reading and writing. Can you write a fact file on your favourite animal or some information about Japan? <u>Lots of tasks and ideas on the website</u></p> <p>Continue with phonics and HF/Tricky words reading and spelling.</p>	<p>Special days</p> <p>1st – 12th June World Fortnight Our focus country is Japan. There are lots of lovely ideas on the Home Learning tab on the website.</p>	<p>YEAR 1 SUMMER 2nd Half Term Amazing Animals</p> 	<p>PE</p> <p>Choose an exercise of your choice, cycling, scooting, running, jumping on a trampoline. Set up an obstacle course in the garden, time yourself and then see if you can beat your time.</p> <p>Yoga</p>	<p>MUSIC</p> <p>Mrs Collins has put lots of lovely ideas for you all on the website. We will also be making little Japanese drums.</p>
<p>ART/CRAFT</p> <p>Look at the amazing patterns on different animals, for example, the beautiful stripes of a tiger or the spots of a leopard. What about a giraffe? Think about ways you could use those patterns to complete a piece of art. You could just draw or paint a picture of your favourite animal, remember to look really carefully. Can you paint a picture in the style of a Japanese artist? Perhaps you could design a new kimono.</p>	<p>Maths</p> <p>Continue to count in 2s, 5s and 10s. Missing number ‘number bonds’, these will really help you to know them off by heart. Positional language, linked to geography. (forwards, backwards beside, in front of, etc) Half turns, quarter turns. North, South, East and West <u>Lots of ideas on the website.</u></p>	<p>TOPIC GEOGRAPHY</p> <p>Comparing the UK with the country of Japan Lots and lots of lovely ideas on the website. <u>For more details look on the website.</u></p>	<p>COMPUTING</p> <p>Use the internet safely to find out about the UK or Japan. If you have chosen a different country, can you find out about that country? Remember Purple Mash has lots of good ideas.</p> <p>PSHE</p> <p>Look at the lovely ideas on the website. We will continue to discuss ways on how to stay safe and healthy and continuing with our year of kindness. Lots of ‘Would you rather...?’ questions on the website to get some discussion going.</p>	<p>Science Animals</p> <p>See if you can sort some animals that you know. Perhaps you can pretend to be a farmer or zoo keeper. What will your animals need to keep healthy? Go on a mini beast safari in your garden or look for different creatures when you are out for your daily exercise. <u>For full details look at the website</u></p>
