Introduction

This booklet contains information about our Breakfast Club and After School Club setting, which will be referred to as OOSC throughout this booklet. Please read it carefully and if you require any further information please do not hesitate to contact us.

Registration

OOSC require a completed registration form for all children wishing to attend. These can be downloaded from the school website, collected directly from the OOSC Manager or can be obtained from the school office. Confirmed bookings are valid until the half term notice period is served.

Bookings

Bookings can be made through the OOSC Manager or OOSC Administrator. Alternatively, you can leave a message via the school office which will be passed on as soon as possible. Bookings are normally taken on a long term basis, however should you require a short term booking or an extra session please speak to the OOSC Manager or Administrator who will accommodate your request where possible.

Cancellations

If you decide to permanently cancel or make changes to your booking then half a terms notice, in advance, will be required. If your child is absent from school with sickness, on holiday or unable to attend the session for any reason, payment for the session will still be required. Parents **must** notify the OOSC if their child is not attending that day's session by 2.00 pm. If we are not informed and we need to contact you to locate your child, there will be a £1.50 phone call charge applied to your next invoice.

Staffing

OOSC will be staffed by qualified staff members and the leader of the session will hold a level 3 qualification or

Complaints

We value your opinions and take the care of your child very seriously. If you have any queries, comments or concerns or need to discuss any issues please feel free to speak to the OOSC Manager. If you are unsatisfied with the response you receive please follow the JHSW Complaints and Resolutions policy and contact the Head Teacher. It is advisable to follow this process before considering contacting Ofsted directly.

Volunteers

If you would like to help us at any time, we would always welcome an extra pair of hands. Contact the OOSC Manager to make arrangements. All volunteers will undergo the appropriate checks and risk assessments.

Policies

All policies are held in the OOSC office, if you would like a copy please contact the OOSC Manager.

Ofsted

Ofsted inspected our school in December 2013. As part of this inspection the After School Club was visited by inspectors. The whole school was judged to be Good. *Good:* A good school is effective in delivering outcomes that provide well for all its pupils' needs. Pupils are well prepared for the next stage of their education, training or employment.

The inspectors commented on the OOSC saying that the breakfast and after-school club is effective in supporting parents who are working. It is well organised, appropriately resourced and the children are well cared for by the qualified staff.

Homework

We are willing to provide an area in which your child can do their homework. However we are a play setting and will not pressure your child to do their homework whilst in our care.

Hygiene

We hope to improve the children's knowledge of hygiene and the importance of cleanliness during their time with us. We therefore encourage all children to wash their hands on entering the setting, when moving from room to room and prior to and after eating.

Safety & Security

Children will be signed in and out of the setting by a member of staff.

The safety of the children and staff at OOSC is our main priority therefore we are currently seeing children to the door to cut down the number of contacts for staff and children within the setting.

Children must be collected by someone over the age of 14, this will only be allowed with written consent from the parent. Once signed out the children are no longer the responsibility of OOSC.

above. Staff are expected to take professional development training and all staff members will require an enhanced DBS check. Although there are no longer statutory requirements to do so, we still maintain a staff/child ratio of 1:8 for all children under eight

Fees

The cost of a Breakfast Club session is £5.00

The cost of an After School Club session is £12.00

We do not give sibling discounts.

Invoices will be added to your parent pay account each half term in advance and should be paid by the requested date.

If you pay by childcare vouchers or tax free childcare please pay in the usual way and we will update your account with payments received.

The following action will be taken for late payments:
Overdue invoice issued after the due date with an additional £10.00 admin charge giving 7 days to pay.

2nd overdue invoice issued including a 5% surcharge or £10.00 whichever is the greater, giving 7 days to pay.
If payment is not received civil action will be taken.
Non-payment of fees could result in your child's place being revoked.

Payments for any extra sessions will be added to your next invoice.

Behaviour

Children will be expected to adhere to the Behaviour Expectations and the behaviour policy of OOSC. In the case of inappropriate behaviour, staff may speak to the parents and work with them and the child involved to resolve the situation.

If, however, the behaviour does not improve the child's place is at risk and the parent/s may be unable to secure further childcare from this provision.

Breakfast Club

The Breakfast Club runs in the school hall from 7.45am until 8.50am. Your child may arrive at any time within the session, However if you require them to eat breakfast with us they must be in the Club by 8.20 am at the latest. To ensure the safety of your child or children we ask that you do not leave them unattended outside the building before the Breakfast Club starts. Please ensure they are in the care of a member of staff before you leave. Any messages should be given to staff at the door when you drop off your child. We will ensure children leave OOSC promptly at 8.45am to enable them to arrive at their class on time.

The Junior School children will leave at 8.40am and are expected to walk to school unaccompanied via the internal playground.

We provide children with breakfast during the session. There will be a healthy and varied choice which will include

We still endeavour to supply a range a fun packed activities for all. These include construction, drawing, reading, games and outdoor play when the weather allows.

Mobile Phones

The use of mobile phones is strictly prohibited within the OOSC setting and areas where the children play, therefore any person seen using a mobile phone whilst attempting to collect a child will be asked to disconnect the call or leave the premises until they have completed their call. Please do not be offended if you are asked to do so by a staff member as this is a legal requirement and a measure to protect the children in our care.

Key Person

All Early Years and Foundation Stage children will be issued with a Key Person in line with statutory regulations, they will be your first point of contact should you have any queries about your child and their care. Should the Key Person be unavailable you can leave a message with another member of staff and they will get back to you. However if your concern is urgent please speak to the Manager or Deputy.

Planning and child voice

In OOSC we continually look at ways of improving the activities we provide. In order to involve the children we encourage children to plan their own activities. This is achieved by having photographs of activities displayed each day and the children voting for what they would like to play with the next week. In addition we also regularly ask the children for their views through our Club Council: helping to plan special activities such as our end of term fun week. The children give ideas and then vote on each one, this helps to ensure we offer activities the children really want to take part in.

Car Park

Please note that parents are requested not to park in the staff car park at any time. When dropping off and picking up your child you should enter the premises via the pedestrian gate entrance of the John Hampden School this is for the safety of all concerned.

Passwords

As part of our Safeguarding policy we have a password system in place for all children in our care. Should you arrange for a family member, friend or colleague to collect your child, they will be asked for the relevant password prior to your child being released into their care. Please also ensure you inform a staff member of any changes to collection arrangements prior to the session.

Medication

We can only give prescribed medication at OOSC, if your child needs medication whilst they are in our care a medication form must be completed prior to the session. We cannot give over the counter medication such as Calpol.

After School Club-Owls (Year 1 and above)

The After School Club runs in the school hall and starts at 3.15pm and finishes at 6.00pm. Your child can be collected at any time during the session. However they must be collected by 6.00pm at the very latest. Late collections will incur charges, please see the late collection policy. Sessions need to be booked in advance. Children who attend the Junior School will be expected to walk to the club unaccompanied via the internal playground. A register of all children will be taken on arrival.

After School Club-Little Owls (Early years and Foundation stage)

This provision runs from the group room, the door to this is located in the same area as the OOSC, if you are unsure a staff member will be happy to direct you.
