

<p>I enjoyed maths day because I liked all the activities in different classes. In Mrs Beattie's class we had to make a potion. I liked that one because it was measuring.</p> <p>Ruby (Firecrests)</p>	<p>I liked the maths trail outside because we got to do lots of fun activities with Mrs Young. We counted how many rectangles there were in the school building.</p> <p>Imogen (Firecrests)</p>	<p>My favourite thing about maths day was "Maths in a Suitcase" because I loved the fun maths games (Selwyn was really funny!)</p> <p>Thea (Firecrests)</p>
<p>My favourite thing was making the magic potion because I want to be a scientist. I also liked the exercise challenge because I like counting.</p> <p>Adam (Firecrests)</p>	<p>I liked maths day because I loved drawing the 'Spiders We'. I also loved making the invisibility potion because it was awesome creating it.</p> <p>Thomas (Firecrests)</p>	<p>I liked making the 3D marshmallow shapes. I liked making the shapes.</p> <p>Hanna (Firecrests)</p>

<p>It was funny because the Maths Man made a circle into a square. He also made a pyramid out of balls.</p> <p>Daniel (Red Kites)</p>	<p>I liked the problem solving room because it had adding and taking away sums to work out.</p> <p>Martha (Red Kites)</p>	<p>I liked all of it because it was different. We don't normally do maths like that.</p> <p>Maggie (Red Kites)</p>
<p>I liked doing the elephant colouring contest at home because it was fun. I also liked the man who came into school because I loved the things he bought in.</p> <p>Kirsten (Red Kites)</p>	<p>As part of maths day we made some beanstalks from paper and card. We then measured them to see which was the longest and which was the shortest.</p>	<p>I liked the cooking - Eva and Ted</p> <p>I liked the Smartie counting - Ruby</p> <p>I liked making the beanstalk. Mine was 14m long- Emile</p>

<p>I liked making the shapes with the magnets - Megan</p> <p>I liked doing the Smartie chart- Olivia</p> <p>I learnt how to make Krispy cakes- Alex K & Ted</p>	<p>I liked doing the triangular shaped pyramids with the little balls. Chloe</p>	<p>I liked playing on the flight compass game on the computer. Tasha</p>
<p>I liked the trick with two bendy shapes that you turn to make bigger. Django</p>	<p>I liked doing things in the classroom because it doesn't feel like maths- but it is! Amberely</p>	<p>I liked the puzzle with all the hens from the "Man in a Suitcase" Rosie</p>
