## Reading Challenge

Can you help the witch to read the sentences below?

The frog jumped into his shower. It was freezing!

The broom snapped and the animals fell into the sticky bog.

The witch went higher and higher, but the dragon was right behind her.

The broom was splendid. There was room for everyone.

Then she filled up her cauldron  
and said with a grin,  
"Find something, everyone,  
throw something in!"  
So the frog found a lily,  
the cat found a cone,  
The bird found a twig  
and the dog found a bone.

The frog, the cat and the dog can help the witch to make a spell.
