

Year 2 P4C - Suggested activities for home

Choose one of the following questions to discuss with your family

Remember the language to use: I agree with _____ because/I disagree with _____ because

Warm up activities to get you in the mood for a good discussion

- Would you rather be... ..king or queen for one day? ...rich for your whole life? ...a superhero for a week?
- Would you rather hear ...the world's funniest joke? ...the most surprising fact? ...the world's best story?

Now, here are some topics for discussion linked to Traditional Tales. If you don't like any of these why not make up a question of your own! Get the whole family involved in answering a question and then see if you can change their minds about what they have decided!

- Was it right for Jack to steal the magic hen? Why/why not?

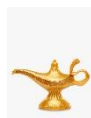

- If you were the third little pig with a house made out of brick, would you let the other pigs into your house? Why/why not?

- If you were asked to choose, would you be the town mouse who lives in the town or the country mouse living in the country? Give reasons for your choice

- If you were Aladdin and had a special lamp, what would your three wishes be?

You could write down some of your ideas after your discussion.
Draw pictures to show the decisions you made
