Maypole dancing: Children will learn a May Pole dance with Premier Sports.

Yoga — breathing, balance & control as well as activities to improve core strength.

Mindful minutes.

Basic Skills

Some children are struggling to correctly

use a knife and fork to eat their hot

dinners. This is a basic skill that we may

take for granted. It is important that

children use the cutlery correctly and

not their hands to eat their food, to

encourage good hygiene and good table

manners.

ENGLISH

Instruction writing

Children will complete a shared writing with an adult. They will write instructions e.g. a recipe for a milkshake or soup or similar for a monster! The children will also go on a bossy verb hunt, a time word hunt and adverb hunt and use these in their instructions.
