We are really looking forward to greeting our new classes. In the meantime the current teachers will pass on lots of information so we get to know everyone really well.

We know what kind of activities the classes were doing during Year 1 so please be reassured that we intend to carry on with the same type of lessons.

We feel like we already
know the classes as,
during the year,
we have met them on
the playground at
playtime and at
lunchtime.

We have also seen
them during assemblies
and on focus days too.

HOME LEARNING

We realise that most children have spent more time learning at home than at school in recent months. So we will make sure that lessons are achievable, carefully paced and fun!

We will tell the children everything they need to know in clear, simple terms and we will show them where to find everything they need.

Most importantly,
we promise to look
after our new classes and
we will make
time for them to ask
questions and to talk to us
about
any worries.

So many things will be the same as in Year One.....

- ❖ The Golden Rules & Values
- ❖ Play and Lunchtimes
